Homelessness Awareness Day & Memorial Vigil

January 5, 2017, 7:30 AM-2:00 PM

State House, 115 Stat Street, Montpelier, VT

Every year in January concerned citizens and homeless service providers from across Vermont gather at the State House in Montpelier for a day to engage their representatives and to renew their commitment to end homelessness in our state.

The day will kick off early at 7:30am in the Card Room. People will be present all morning and into the afternoon to educate lawmakers about the work being done around the state, about which strategies are working, and what still needs to be done to help end homelessness in Vermont.

At 9:30pm be in the House Gallery to hear the reading of a resolution recognizing those experiencing homelessness and the work being done by homeless service

providers and advocates.

At Noon community members, elected officials, and advocates will take to the State House steps for the annual Memorial Vigil to remember our friends and neighbors who have died without homes, and to bring awareness of the struggles of those still searching for safe, affordable and secure housing.
